### IGLS-FORUM Series

Innovative format for presentations and extended discussions

A joint initiative by agri-food groups of leading European and international universities and business schools providing a discussion platform for the European and international scientific community,

The Forum invites an international scientific audience from **management, economics, engineering, marketing, policy, sociology, social psychology, information management, system modeling, and any other scientific field** with interest in the subject to submit proposals for presentations and to participate in discussions on the global challenge for innovation and system dynamics in food systems.

- > **Participation fee is 480 Euros for members of any of the supporting organizations. For online participation the fee will be specified in October 2021.**
- > Non-members will be charged a membership fee for an organization of their choice. The fee covers registration, coffee breaks, a welcome reception, and the conference dinner, accommodation is not included.
- > **Submission of presentation proposals** is through the provision of an abstract of not more than 500 words in English by October 15, 2021 as email to [fooddynamics@uni-bonn.de](mailto:fooddynamics@uni-bonn.de). Authors will be notified by October 29, 2021 on paper acceptance and conference organization. **Submission counts as pre-registration.**
- > **Participation without paper:** Pre-registration is by informal e-mail to the organizers by October 15 through [fooddynamics@uni-bonn.de](mailto:fooddynamics@uni-bonn.de).
- > Due to limitations in on-site participation, acceptance of final registration for on-site participation is due to prior acceptance of a paper or a pre-registration by October 15.
